OTHERS PRESENT
President Michael Rao
Ms. Chelsea Gray, Assistant Secretary and Board Liaison & Executive Assistant to the President
Ms. Karen Helderman, Executive Director for Audit and Compliance Services
Mr. Mike Melis, University Counsel
Presidential Cabinet of VCU
VCU students, faculty and staff
Members of the Media
CALL TO ORDER
Mr. Keith T. Parker, Rector called the meeting to order at 9:03 a.m. in the James Cabell Library, 901 Park Avenue, Richmond, Virginia. The meeting was held in accordance with Section 2.2-3708.2 (D) of the Freedom of Information Act.

Ms. Chelsea Gray, Assistant Secretary and Board Liaison & Executive Assistant to the President, reminded everyone in attendance of logistics for the meeting. She then conducted a roll call to see who was present virtually and in-person. The public was able to view the open session of the meeting via livestream at https://mssvideo.vcu.edu/BOV.

Vice Rector Dendy addressed acknowledged the passing of former Rector Anne Powell Satterfield calling her a trailblazer in opening up positions for women. He asked that when the meeting be adjourned it be in memory of her.

PUBLIC COMMENT PERIOD
Ms. Chelsea Gray reminded the Board that written comments were to be received prior to the meeting via an online portal and that 10 public comments were received and provided to the board in advance of the meeting. A copy these comments (anonymous) are attached hereto as Attachment A and are made a part hereof.

She then reminded the Board that there would be a public comment session at this meeting and that in accordance with the published procedures for public comment, one person, Dr. Everett Carpenter, President of the VCU Chapter of American Association of University Professors, pre-registered to speak. Dr. Carpenter mentioned he provided a report to the board in advance of this meeting that addressed shared governance at VCU. He also mentioned AAUP’s concerns about adjunct faculty. Rector Parker thanked Dr. Carpenter and asked Provost Gail Hackett to respond. Provost Hackett addressed that the University is not aware of the details of the survey, how it was conducted, and the inaccuracies of it. She assured that faculty recommendations are not ignored.

APPROVAL OF MINUTES
On a motion duly made and seconded the minutes of the March 5 board meeting, March 16 strategic task force meeting, March 23 Budget meeting, and the March 23 joint VCU BOV and VCUHS BOD were approved by a roll call vote:

Virginia Commonwealth University
Board of Visitors
Draft May 14, 2021 Minutes

Dr. Tonya Parris-Wilkins X
Ms. Coleen Santa Ana X
Mr. Stuart C. Siegel X
Ms. Alexis Swann X
Dr. Shantaram Talegaonkar X
Mr. G. Richard Wagoner, Jr. X

A copy of the minutes can be found on the VCU website at the following webpage
https://president.vcu.edu/board/minutes/.

PRESIDENT’S REPORT
President Rao began his report by congratulating the class of 2021 on graduating this spring. He then recognized individuals who honor VCU’S mission and whose efforts have advanced VCU as the great urban public research institution including the loss of former board member, Tom Farrell, Rick Wagoner for his service to the board, Keith Parker’s service as Rector, and Gail Hackett for her service as Provost and Senior Vice President for Academic Affairs.

ONE VCU RESEARCH STRATEGIC PLAN
Dr. P. Srirama Rao, Vice President for Research and Innovation, reported that the One VCU Research Strategic Plan is being launched. It is six year plan that is collaborative between VCU and VCUHHS committing $76 million in financial planning. Key initiatives include enrich the human experience, achieve a just and equitable society, optimizing health, supporting sustainable energy and environment, and a culture of collaboration. The board encouraged that the School of Medicine rankings go up. A copy of Dr. Rao’s presentation is attached hereto as Attachment B.

FALL 2021
Mr. Parker then turned to Dr. Meredith Weiss, Vice President for Administration, and Dr. Gail Hackett, Provost and Senior Vice President for Academic Affairs, to report on the Return to Campus and One VCU Better Together. Dr. Weiss reported changes seen at VCU in looking at COVID-19 and the number of people in the community that have provided documentation of receiving the vaccination. The University is planning to open the campus in the fall expanding engagement between students and faculty. There will be a greater amount of classes provided virtually. The University is exploring teleworking for staff and faculty.

A copy of the presentation is attached hereto as Attachment C and is made a part hereof.

Rector Parker then moved that the Board of Visitors of Virginia Commonwealth University convene a closed session under Section 2.2-3711 (A)(7), for consultation with legal counsel regarding specific legal matters requiring the provision of legal advice, more specifically regarding university operations and measures addressing the COVID-19 pandemic. The motion was seconded and was approved by a roll call vote:

3
Following the closed session, the public was invited to return to the meeting. Ms. Santa Ana called the meeting to order. On a motion duly made and seconded the following resolution of certification was approved by a roll call vote:

Resolution of Certification

BE IT RESOLVED, that the Board of Visitors of Virginia Commonwealth University certifies that, to the best of each member’s knowledge, (i) only public business matters lawfully exempted from open meeting requirements under this chapter were discussed in the closed meeting to which this certification resolution applies, and (ii) only such public business matters as were identified in the motion by which the closed session was convened were heard, discussed or considered by the Board.
Mr. G. Richard Wagoner, Jr. was not present for the vote. The board recognized this is a very important matter. All members present responding affirmatively, the resolution of certification was adopted.

Ms. Chelsea Gray read the Resolution to Delegate Authority to Require COVID-19 Vaccination. Rector Parker moved that the Board of Visitors of Virginia Commonwealth University approve the resolution. The motion was seconded and was approved by a roll call vote:

Mr. G. Richard Wagoner, Jr. was not present for the vote. All members present responding affirmatively, the resolution was adopted. A copy of the resolution is attached hereto as Attachment D and is made a part hereof.

ENROLLMENT
Dr. Tomikia LeGrande, Vice President for Strategy, Enrollment Management and Student Success, began by providing a 2021-2022 enrollment summary. She addressed students’ fatigue and burnout and the impact it will have for Summer Enrollment. Fall admissions have exceeded the University’s goal. Out of state admissions continue to be down. Acceptance rates have not returned to rates pre-COVID. African American student population has gone up three percent. The “summer melt” will continue to be a challenge. The university will need to focus on engaging students and continue reaching out.

A copy of Dr. LeGrande’s presentation is attached hereto as Attachment E and is made a part hereof.

BUDGET, TUITION & FEES
Ms. Karol Kain Gray, CFO and Senior Vice President, presented the 2021-22 budget recommending no tuition increase for in- and out-of-state undergraduate, graduate and professional students. This is the third consecutive year the board has voted to freeze undergraduate tuition. In addition, Ms. Gray recommended the increase of some mandatory
student fees by $153. The increased fees will support multiple areas of the university, including technology, advising, mental health and veteran services. The budget presented also includes an average 5 percent raise for eligible university faculty and staff, effective July 1.

A copy of Ms. Gray’s presentation is attached hereto as Attachment F and is made a part hereof.

Mr. Stuart Siegel, Chair of the Finance, Budget and Investment Committee, stated that the committee met on Thursday, May 13 and voted unanimously to approve the budget, tuition and fees and is recommended to the board that it be approved. Ms. Chelsea Gray read the Resolution for 2021-2022 Tuition and Fees. Mr. Siegel moved that the Board of Visitors of Virginia Commonwealth University approve the resolution. The motion was seconded and was approved by a roll call vote:

CLOSED SESSION ACTION ITEMS
Mr. Parker mentioned to the board that he plans to make one motion to approve all matters discussed in closed session together unless anyone opposed. Rector Parker moved that the Board of Visitors of Virginia Commonwealth University approve the following actions as presented in closed session:

1. The Faculty Tenure appointments, changes in status and tenure recommendations.
2. The appointment of Dr. Fotis Sotiropoulos as Provost and Senior Vice President for Academic Affairs effective August 1, 2021.
3. The appointment of non-voting representatives to the Board of Visitors for 2021-2022 academic year as follows: Anne Skelton and Jordan Matamoro-Mejias as the Student Representatives, Nancy Jallo and Valerie Robnolt as Faculty Representatives, and Gregory Kimbrell and Saher Randhawa as Staff Representatives.
4. The adoption of the resolutions for real estate acquisition and/or financing for the ABC properties (2901 and 2919 Hermitage Road) and the Bourne property (1609 Sherwood Avenue).
5. The funds eligible for Naming and funds eligible for naming under $50,000.

The motion was seconded and was approved by a roll call vote:

The resolutions for real estate acquisition and/or financing for the ABC properties (2901 and 2919 Hermitage Road) and the Bourne property (1609 Sherwood Avenue) are attached hereto as *Attachment L* and is made a part hereof.

Mr. Dendy, Chair of the Governance and Compensation Committee, moved that the Board of Visitors of Virginia Commonwealth University approve the following actions as presented in closed session:

1. Amending the employment contract between the University and Dr. Michael, Rao, President of Virginia Commonwealth University to be extended 2 years, making the contract term through June 30, 2026.
2. A 5% increase in the base salary for a total yearly increase of $31,231.71, making the new base salary $655,865.94, effective July 1, 2021. (The effective date of the increase is the same date that eligible VCU employees received their salary increases); a five percent (5%) increase in the deferred compensation contribution for a total yearly increase of $12,500, making the new deferred compensation $262,500, effective July 1, 2021; and a five percent (5%) increase in the housing allowance of $3,708, effective July 1, 2021, making the new yearly housing allowance $74,160.00 or $6,180 per month.
3. The housing allowance should be reviewed and adjusted as needed annually based on the Consumer Price Index (“CPI”).

</thead>
<tbody>
<tr>
<td><strong>Affiliation with VCU</strong></td>
<td>Please provide the VCU Board of Visitors with feedback about the 2021-2022 Budget and Tuition proposal.</td>
</tr>
<tr>
<td><strong>Student/Staff</strong></td>
<td>The $153 increase, while it may not seem like much to some, is a huge difference to many of our students at VCU. Not only is this increase ridiculous, but there is no change in services/opportunities for students as a result of this increase. Why should we pay more for something when we aren't even receiving extra services/benefits? VCU's fees and tuition throughout the pandemic have been insane. Why should I pay the same amount for a course where a professor pre-records videos? Why do I have to pay a lab fee when I'm not even allowed in the lab? VCU should be ashamed with how it's handled the budget and tuition proposal not only for 2020-2021, but throughout the pandemic. The saddest part is, that despite outcries from the student body, VCU won't do anything to promote change. VCU overall, as a university, should be ashamed, disappointed, and striving to be the slightest bit fair and considerate to its student body.</td>
</tr>
<tr>
<td><strong>Student</strong></td>
<td>I believe the cost should stay the same. The students can not afford a increase especially since the pandemic hit. I personally think tuition should decrease due to the fact that students werenâ€™t able to be rewarded the full college experience and had to take online classes with teachers that werenâ€™t proficient enough with technology to be able to teach properly.</td>
</tr>
<tr>
<td><strong>Student</strong></td>
<td>No; Tuition has skyrocketed. And even during these times; this is an exploitation of students and faculty. Faculty and teachers should be paid fairly - and that should come out of the already higher than most public institutions Tuition and fee rates. The president and his boards can afford a pay cut. As the over 1 million a year isnâ€™t enough already. And that many students and families are struggling to make ends meet anyway, I foresee this also causing many to drop out and if not go in far more debt that can be paid in a reasonable time. Please reconsider the way money is allocated to the higher ups in the university. Thank you.</td>
</tr>
<tr>
<td><strong>Student</strong></td>
<td>I agree with all the added technology fees. However I do not agree with the out of state tuition. I have been taking online classes as if I would be in the class itself had I been a resident in VA. I don't think anyone or out of state students that are strictly online classes for the program should have to pay out of state tuition price. That extra money paid is more of a financial burden and stress.</td>
</tr>
<tr>
<td><strong>Student</strong></td>
<td>I feel that I was not adequately informed of this.</td>
</tr>
<tr>
<td><strong>Student</strong></td>
<td>I agree with all the added technology fees. However I do not agree with the out of state tuition. I have been taking online classes as if I would be in the class itself had I been a resident in VA. I don't think anyone or out of state students that are strictly online classes for the program should have to pay out of state tuition price. That extra money paid is more of a financial burden and stress.</td>
</tr>
<tr>
<td><strong>Student</strong></td>
<td>While tuition and fees are necessary, it seems ludicrous during a pandemic that students are expected to pay so much while President Rao and board make a substantial amount per year while many Professors and Adjuncts don't make a good wage. Moreover, many students are struggling financially as the pandemic is still ongoing. If President Rao and affiliates care about the university and its population we need lower tuition rates and higher wages for faculty. If that requires President Rao to dig into his own pockets or take less than what is given to him then so be it. Tuition should be lowered.</td>
</tr>
<tr>
<td><strong>Student</strong></td>
<td>Do not increase my tuition please :)</td>
</tr>
<tr>
<td><strong>Student</strong></td>
<td>These fees are too damn high! The tuition and additional costs are still too damn high!</td>
</tr>
<tr>
<td><strong>Student</strong></td>
<td>Due to the pandemic and everything going online every student and professor has had to get some type of technology to be able to do classes so there is no need for a huge increase on our technology fee when everyone already has the basics that they need. For health services it is unreasonable to have to pay over $200 per semester when most students have health insurance and can just go to the doctor for cheaper. Next semester we probably should not have many events because there is still a pandemic going on as of right now and a lot of students are not going to want to be around others so $90 for an activity fee when many students will not use it for safety reasons or it will not be used at all is way too high. As for the library fee, if students are paying $70 for the library services per semester then the library should be open longer to accommodate.</td>

Strategic Research Priorities Plan: Implementation and Launch

P. Srirama Rao
Vice President for Research and Innovation

May 14, 2021
ONE VCU | RESEARCH is aspirational
A 6-year strategic plan with three, 2-year phases
FY 2022 - 2024
Sponsored Funding and Clinical Research Trends (FY2021 – YTD)

VCU's YTD & Year-End Sponsored Research Award Total Dollars by Fiscal Year

Year-End Total Fall 2021

Expanding VCU clinical research
Advances in technology, innovation and education — impacts quality of life, student success and cultural development

- VCU Artificial Intelligence Exchange (Consortium)
- Cybersecurity and High-performance computing
- Arts + Innovation (VR, AR, ML)
- RVA Educational Research Consortium
- Disparities Research

is enriching the human experience
Excellence in Community Engagement
Increase Inclusive Research Teams - Diverse by Design
Disparties, Critical Social Inquiry and Justice Program
Diversity, Equity, and Inclusion Research

A national model for transforming DEI research and scholarship into measurable and societally relevant outcomes
An innovative model for addressing health disparities and inequities through strengths in basic research, personalized medicine and public health

- Advance basic, fundamental and applied research
- Accelerate new biologics, drugs, devices, diagnostics & vaccines
- Improvement in health disparities, equity & public health
- Increase clinical research and trials
- Integrate AI, Data Science and Informatics
One VCU is supporting sustainable energy & environments

- Increase capacity for sustainable energy and environment research
- Translate environmental science research and education to public policy and practice
- Advance solutions to materials and manufacturing related challenges

Convergence of technological innovation and sustainability to solving society’s critical energy and environmental problems
Demonstrable engagement of students, faculty, staff and community in solving societal grand challenges is a culture of collaboration

- Strengthen infrastructure, enhance team science-based cross disciplinary collaboration
- Vertical integration of diverse pipeline of students and trainees
- Advance technology pipeline - commercialization and economic development
- Prioritize, recognize and reward collaborative research, innovation and scholarship
- Communicate impactful outcomes, programs, policies, practices that advance society

Campus Snapshot

- **Prevalence** of COVID-19 in VCU community
- **Number** of daily cases seen at VCU Health System
- **Regional** rates of COVID-19 infection in the region
- **Comfort** with on-campus living, learning and working
- **Vaccination** among students and employees
Planning for Fall

- Continued safety measures
- Robust on-campus living and learning experience
- Faculty and staff resume on-campus work
Fall 2021 Planning Summary

All campus facilities open
• Student service departments providing in-person and virtual student support

Majority of courses have some form of in-person instruction
• More online courses than fall 2019
• Quality assurance of online courses

Expanded in-person student life opportunities

Regular engagement with faculty/staff and students to inform decision making
Fall 2021 Course Seat Capacity by Modality

Fall 2021 Total Scheduled Seats (Capacity) = 153,718

- In Person: 20,339, 13%
- Hybrid: 5,031, 3%
- Blended: 25,311, 17%
- Online: 43,040, 28%
- Directed Instruction: 59,997, 39%

Spring 2021 Total Scheduled Seats (Capacity) = 164,608

- In Person: 25,831, 16%
- Hybrid: 9,904, 6%
- Blended: 5,295, 3%
- Online: 7,120, 4%
- Directed Instruction: 116,457, 71%

Fall 2021 data based on census 0 as of 4/29/2021.
Spring 2021 data based on census 2.
Includes Qatar.
Based on course capacity/seats offered.
Resolution to Delegate Authority to President to Require COVID-19 Vaccination

Whereas the Virginia General Assembly has vested the Virginia Commonwealth University (VCU) Board of Visitors with broad, specific and implied discretion in the management of VCU, including the power to set policies, rules, and regulations that promote public health and safety; and,

Whereas the Supreme Court of Virginia has recognized that Virginia’s higher education institutions have broad authority to implement rules and regulations including policies that promote safety on their campuses and within residence facilities; and,

Whereas the COVID-19 pandemic has posed a significant threat to public health and safety throughout society, with more than 650,000 cases reported within the Commonwealth of Virginia alone; and,

Whereas this pandemic has required VCU to implement a variety of administrative and operational measures related to public health and safety in order to execute its educational mission while considering the best interests of the VCU community; and,

Whereas guidance from public health authorities and experts continues to evolve as more information becomes available about COVID-19 and how to mitigate its spread; and,

Whereas, the General Assembly has granted the VCU Board of Visitors the ability to delegate its governing powers to the President or other university officials;

Now, therefore be it resolved that the VCU Board of Visitors delegates to the VCU President the full authority and discretion to require vaccination for COVID-19, and any related variants, as a condition of in-person attendance or presence on campus, upon the President’s or his designee’s consideration of applicable requirements, guidelines, and recommendations from public health authorities and experts, and upon the President’s or his designee’s determination that that such a vaccination requirement has a real or substantial relation to protecting public health and safety on VCU’s campus. This delegation of authority applies to the President’s or his designee’s consideration and determination of requirements for students, employees, contractors, visitors, or other categories of individuals who may have an on-campus presence. The VCU Board of Visitors further delegates to the President or his designee the Board’s full authority to take such further actions as necessary to implement any such vaccination requirements.

ATTACHMENT E
Summer 2021
Faculty and student fatigue/burn-out suggest summer 2021 enrollment will not exceed 2020.

Compared to Summer 2019...

- Headcount is up 569 students (7.1%)
  - Masters enrollment is up 417 students (40.8%)
- FTE is up 543 students (17.0%)
- Credit hours are up 6,215 (13.8%)
- On target to exceed budget projections

*Source: SEMSS Overall Summer Enrollment Report, 5/13/2021*
Fall 2021 Enrollment Outlook

• Optimistic about New Freshman Enrollment
  – Yield improved compared to 2020 but has not rebound to pre-COVID rates
    • Positive results due to financial aid, scholarship and engagement strategies
    • Increased competition as more universities showcase a commitment to educational access
    • Out-of-state admission seems to be most impacted in School of Arts
  – Growing excitement and interest about fall 2021 student experience and expectations.

• Other new student populations (transfer and masters) hold promise but too early in admission cycle.

• Increased attention on retention rates among continuing undergraduates
  – Fall registration was delayed and opened April 26

THEREFORE, BE IT RESOLVED, that the Board of Visitors of Virginia Commonwealth University approves a zero percent increase for undergraduate, graduate, doctoral and first professional tuition for the 2021-2022 Academic Year; and approves mandatory fee increases for health service fee, university fee, and technology fee; and approves increases to dining, parking, and housing fees.

BE IT FURTHER RESOLVED, that the Board of Visitors approves the undergraduate fees as set forth in Exhibit A attached hereto; and

BE IT FURTHER RESOLVED, that the Board of Visitors approves the graduate tuition and fees as set forth in Exhibit B attached hereto.

RESOLUTION FOR 2021-2022 OPERATING BUDGET

THEREFORE, BE IT RESOLVED, that the Board of Visitors of Virginia Commonwealth University approves the 2021-2022 $1.3 billion operating budget for the university as recommended by the President and the Chief Financial Officer.

BE IT FURTHER RESOLVED, $25.9 million in critical and strategic investments for faculty and academic support, systems and operational improvements are approved as recommended by the President and the Chief Operating Officer.

EXECUTIVE SUMMARY OF PROPOSED POLICY:
Policy on Gift Acceptance and Administration

New Policy ☐ or Substantive Revision ☒
Policy Type: BOV
Responsible Office: Development and Alumni Relations
Draft Date: 03/15/2021
Initial Policy Approved: March 1994 – Acceptance and Administration of Contributions

Revision History: 02/22/2007 – Acceptance and Administration of Contributions
09/07/2016 – Gift Acceptance and Administration

Governance Process Tracking:
If new BOV policy, enter date and name of President (or designee) approving development of policy: MM/DD/YYYY – Name
If new Administrative policy, enter date and name of President’s Cabinet member approving development of policy: Jay Davenport, Development and Alumni Relations

Integrity & Compliance Office Review: 03/15/2021
University Counsel Review: 03/31/2021
Public Comment Posting: 03/31/2021
University Council Academic Affairs and University Policy Committee Review: 04/29/2021
University Council Review: 05/06/2021
President’s Cabinet Approval: MM/DD/YYYY
Board of Visitors Approval (if applicable): MM/DD/YYYY

</tr>
</tbody>
</table>
Policy Statement and Purpose

Virginia Commonwealth University is committed to the success of its fundraising program to develop and enhance programs beyond what is possible with state support and generated revenue. Philanthropic gifts increase access to exceptional education, institutional research and health care.

This policy governs the acceptance of all gifts made to support Virginia Commonwealth University, including cash, publicly traded securities, life insurance, gifts in kind, works of art, gifts of real estate and estate/planned gifts.

- A gift must not be accepted by Virginia Commonwealth University unless there is a reasonable expectation that acceptance of the gift will advance the mission of the university and complies with IRS regulations and applicable state/federal laws.
- The university reserves the right to accept, decline or return a gift. A gift will not be accepted by the university if such acceptance imposes upon the university overly burdensome administrative costs or financial risk.

Should gift criteria become impossible to fulfill or are no longer consistent with the mission of the university, VCU will contact the donor or appointed representatives to alter the gift’s criteria.

Noncompliance with this policy could result in disciplinary action up to and including termination. VCU supports an environment free from retaliation. Retaliation against any employee who brings forth a good faith concern, asks a clarifying question or participates in an investigation is prohibited.

Who Should Know This Policy

All university employees engaged in activities related to development and alumni relations are responsible for knowing this policy and familiarizing themselves with its contents and provisions.

Definitions

Affiliated or institutionally-related foundations
VCU has affiliated philanthropic foundations that are separate 501(c)(3) charitable corporations organized to operate for the support of the university, while operating with self-governed boards and bylaws. They accept and invest gifts made in support of the university.

CASE
The Council for Advancement and Support of Education is a global nonprofit association dedicated to educational advancement — alumni relations, communications, development, marketing and advancement services — and shares the goal of championing education to transform lives and society.

Cash gifts
These gifts include currency, credit-card commitments, checks, direct deposits made by any department and payroll deduction arrangements. These gifts can be put to immediate use and/or invested by the university or its affiliated foundations.

Complex gifts
The IRS defines a complex gift as an item that is not reasonably expected to be used to further the organization’s exempt purpose (beyond the need for funds) and for which there is no ready market to liquidate the contribution and/or the value of the item is highly speculative or difficult to ascertain.

Current fund
A type of fund that is expendable in the near future for the purposes of advancing the university. Current funds can be either restricted or unrestricted.

Endowed fund
A type of fund containing assets that are invested in perpetuity and can be unrestricted or restricted for a specific purpose, program, or campus unit. In general, there are three types of endowment funds:

- True endowment funds are gifts received from a donor with the restriction that the principal is not expendable.
- Term endowment funds are gifts for which the donor stipulates that the principal can be expended after a stated period of time or upon the occurrence of a certain event.
- Quasi-endowment funds, or funds functioning like an endowment, are internal accounts that have been established by the board to function like an endowment fund but that can be expended at any time at the discretion of the board.

Expendable Funds
Either restricted or unrestricted funds that can be spent by the institution.

Gift
A charitable contribution for the use of a qualified organization. It is voluntary and is made without receiving, or expecting to receive, anything of equal value in return.

Gift Acceptance Committee
A standing committee that confers at the request of the vice president of Development and Alumni Relations to consider and approve the acceptance and/or recognition of complex gifts.

Gift agreement
An agreement between the donor(s) and the university or an affiliated foundation that defines the purpose of the gift, the gift amount, a schedule of contributions and other terms deemed appropriate by either party.

Gift in kind
A noncash donation of materials or long-lived assets other than real and personal property.

Restricted Funds
Funds that contain gifts provided to the university and are subject to legally binding limitations on their use. These limitations are outlined through a gift agreement or institutional award letter. If the university accepts such assets, it must abide by these limitations. Restricted funds are usually classified in one of two ways:

- Expendable restricted funds: Restricted current funds that allow the asset to be spent in the normal course of meeting the restriction.
- Non-expendable endowed funds: Funds that require that the donated assets be retained for investment purposes in perpetuity. The income from these investments can be designated to a school or unit and can be unrestricted or restricted in purpose.

Restricted Quasi-Endowment Funds: These are expendable restricted funds containing assets designated by the board for long-term investment. The income from these investments is restricted to operating purposes specified by the donor. The board can, at any time, approve expenditure of these invested funds in accordance with the specific donor restrictions.

Unrestricted Funds: Funds containing assets received by the university with no donor restriction on their use and are, therefore, can be spent for any lawful university purpose. The process for fund allocation can be at the discretion of the senior vice president and chief financial officer and appropriate members of the president’s cabinet.
Unrestricted Quasi-Endowment Funds: Unrestricted funds containing assets designated by the board for long-term investment. The income from these investments is for unrestricted purposes. The board can, at any time, approve expenditures of these invested funds for unrestricted use.

Contacts

The Office of Development and Alumni Relations (DAR) officially interprets this policy. The Office of Development and Alumni Relations is responsible for obtaining approval for any revisions as required by the policy “Creating and Maintaining Policies and Procedures” through the appropriate governance structures.

Please direct policy questions to the Office of Development and Alumni Relations’ Office of Gifts and Records Management.

Policy Specifics and Procedures

1. Gift Acceptance

The university generally accepts all gifts provided to the university, as long as the terms and conditions comply with the law, regulations and contractual agreements made with foundations, and align with the mission, vision, and values of the university.

Gift Acceptance Committee

Gift Acceptance Committee: purpose, composition, and mandate

The university maintains a standing Gift Acceptance Committee. The committee meets as needed, at the request of the vice president of Development and Alumni Relations to consider and approve the acceptance and/or naming of complex gifts. All complex gifts must be approved by the committee, in consultation with the administering unit, before presentation to the Board of Visitors for final approval. The Gift Acceptance Committee is appointed by the university president or their designee, is staffed by the vice president of DAR and has members from the following offices:

- Vice President for Finance
- Vice President for Academic Affairs
- VCU Integrity and Compliance
- VCU General Counsel
- Development Administration and Operations

Gifts that must be reviewed by the Gift Acceptance Committee
Gifts that meet IRS rules and CASE standards can be accepted by the Office of Development and Alumni Relations at the discretion of the vice president for Development and Alumni Relations, or their designee.

Gifts that fall outside of IRS rules, CASE standards or as described below could create risk and must be reviewed and approved by the GAC before acceptance of the gift is communicated to the donor by a university representative. In general, the university will not accept gifts that fall outside of IRS rules.

**Minimal risk:** these gifts are presented to the GAC only at the discretion of the vice president of Development and Alumni Relations or their designee.

- a. Gifts paid over more than five years
- b. Gifts that could expose the university to adverse publicity
- c. Gifts with restrictive conditions
- d. Planned or testamentary gifts that include life insurance or tangible personal property

**Moderate risk**

- a. Gifts that fall outside CASE guidelines for campaign counting
- b. Gifts with provisions that require the return of the gift under certain circumstances (other than unspent funds for a specific project)
- c. Gifts with restrictions that are not straightforward (e.g. difficult to award criteria)
- d. Gifts requiring donor control
- e. Gifts that do not meet minimums for expected outcomes
- f. Gifts that are related to the appointment or retention of a specific individual
- g. Gifts that could have real or apparent conflicts of interest for the donor, university officers, or employees
- h. Gifts of real estate that do not include restrictions on use or disposal

**Material risk**

- a. Gifts (or gifts in kind) valued above $100,000 that require approval by a vice president of Research, Health Sciences, or Academic Affairs, or gifts that have the potential to influence academic decision-making
- b. Gifts of $1 million or more that impose a university obligation, excluding gifts for scholarships or academic aid
- c. Gifts of art
- d. Gifts from unknown or unaffiliated foreign entities
- e. Gifts with potential for immediate or future financial and/or administrative burden
- f. Gifts of closely held or nonpublic traded securities
- g. Gifts of ownership in a private business
- h. Gifts of real estate that include restrictions on use or disposal

**Referring gifts to the Gift Acceptance Committee**
Questions concerning gift acceptability should be referred to the DAR Office of Gifts and Records Management, which, when necessary and in consultation with the vice president for Development and Alumni Relations, will convene the GAC for review of the proposed gift. All complex or nonstandard gifts must be reviewed by the GAC and with the administering unit, for oversight and acceptance. Any requests for special consideration of a gift or exceptional circumstances must be presented to the vice president for Development and Alumni Relations, or their designee, who will convene the GAC.

2. Gift documentation

All gift documents (e.g. checks, wills, deferred-giving documents) must name Virginia Commonwealth University, or the VCU Foundation, the Medical College of Virginia Foundation, the VCU School of Business Foundation, the VCU College of Engineering Foundation, the VCU Real Estate Foundation or another university affiliated foundation, named endowment fund, school or department as the recipient for the benefit of Virginia Commonwealth University or the VCU Health System.

Gifts of any amount that establish an endowed fund, or are restricted to a specific use, require a gift agreement or award letter. Campus partners must use gift agreement templates approved by the vice president for Development and Alumni Relations. Gift agreement guidelines and templates are available from the DAR office or one of the university affiliated foundations.

Gift credits

Cash gifts are credited at full value as of the date deposited by the university or foundation. Gifts of foreign currency are reported at the exchange rate on the gift credit date. Gifts made by credit card, even though considered cash gifts, are credited at the time they are processed and are applied to the donor’s card account. For gifts mailed to the university or an university affiliated foundation, the legal date of transfer is the postmark date. In accordance with gift-processing procedures, however, gifts are credited on the date they are deposited, with the only exceptions being the end of the calendar year (December 31) and the end of the fiscal year (June 30).

Receipt of gifts and gift processing

All gifts, whether gifts are solicited by a campus partner or DAR, must be processed through the Office of Gifts and Records Management to ensure accurate recording, receipting and reporting.

To ensure proper recording, receipting, and reporting:

- All solicitations must have the remittance address as the GRM campus box.
- All gifts agreements and contributions should be sent to the GRM campus box.
- Gifts mailed to a university unit/department must be hand-delivered to GRM or dropped in one of the GRM drop boxes within 24 hours of receipt.

GRM produces the official tax receipts on behalf of the university and the university affiliated foundations. Thank you letters and gift acknowledgements sent by campus partners should not include a dollar value as the donor could misconstrue such letters as tax receipts. The university ensures that separate identifiable accounts are established in the university’s database of record to record each type of fund. The university documents the limitations on restricted funds at the time they are received.
Forms

Gift agreement templates are available to development personnel with access to the DAR intranet on www.support.vcu.edu, from one of the university affiliated foundations, or by email at giftagreement@vcu.edu.

1. Why is this policy being created ☐ or revised ☒?
The policy is being reviewed and updated for accuracy and guidance pertaining to allowable name recognition of physical and non-physical university properties.

2. New policy ☐: What are the general points or requirements covered in this policy? or Revised policy ☒: What are the substantive differences between this draft and the current policy?
Substantive differences include:
1. updated language explaining how program, schools, physical spaces and funds are named by the BOV in recognition for philanthropy or extraordinary service
2. new expiration periods for honorary or donor recognition
3. process and conditions for removing name recognition, in accordance with presidential and BOV powers
<table>
<thead>
<tr>
<th>3. Which stakeholder offices or personnel have provided input into this policy draft?</th>
<th>Development and Alumni Relations, Compliance and Integrity Services, Office of Administration, Office of Facilities Management, Committee on Commemoration and Memorials, VCU affiliated foundation executives</th>
</tr>
</thead>
<tbody>
<tr>
<td>4. Which other universities’ policies or resources (e.g., laws, regulations, etc.) did you consider when preparing this draft?</td>
<td>Policy on Gift Acceptance. A best practices assessment was collected from national peer institutions concerning naming opportunities, donor recognition and removal of such recognition from schools, facilities, programs, current funds and endowed funds. All Tier 3 state-supported universities in Virginia named recognition levels for endowment minimums.</td>
</tr>
<tr>
<td>5. What is your general assessment of this policy’s impact on the university community?</td>
<td>The policy will guide development professionals in working with university donor constituencies on donations that may result in donor recognition. This policy will provide clear guidelines to the university community when developing proposals for the recognition of extraordinary contributors to VCU. The updated endowment minimums allow flexibility for the wide variety of schools at the university.</td>
</tr>
<tr>
<td>6. What is your plan to implement this new policy or policy revision (e.g., raise awareness and train relevant audiences and monitor for compliance)?</td>
<td>The policy will be incorporated into fundraiser training, shared across academic partners, and provided to institutionally-related foundation partners. Revised policy will be owned by the Office of Development and Alumni Relation for compliance in the data management process.</td>

[DRAFT] Policy on University Recognition through Naming

Policy Type: Board of Visitors
Responsible Office: Development and Alumni Relations
Initial Policy Approved: 05/25/2010
Current Revision Approved: 01/2013 (revised as local policy)

Policy Statement and Purpose

This policy establishes guidelines for the naming of physical and nonphysical entities at Virginia Commonwealth University. The VCU Board of Visitors approves naming opportunities to honor individuals, families or organizations who make extraordinary contributions through service or philanthropy. The Board of Visitors may delegate authority to approve honorific recognition of non-physical entities other than a college, school, department or degree program to the president or the president’s designee. The Board of Visitors can also approve exceptions to this policy as requested by the president and, as described in this policy, can remove a designated name from a physical or nonphysical entity.

This policy’s overarching objectives are to create a transparent system through which naming decisions are consistent and timely, respect the expectations and intentions of all parties, and do not conflict with the university’s values.

Noncompliance with this policy could result in disciplinary action up to and including termination. VCU supports an environment free from retaliation. Retaliation is prohibited against any employee who brings forth a good faith concern, asks a clarifying question, or participates in an investigation.

Who Should Know This Policy

All university employees engaged in development, facilities planning, and university athletics and those who accept and administer named funds should know this policy and familiarize themselves with its contents and provisions.

Definitions

**Gift Acceptance Committee:** A group of university administrators convened by the vice president of Development & Alumni Relations (DAR) to advise the president of VCU. See the VCU Policy on Gift Acceptance and Administration in Related Documents below.

**Gift agreement:** An agreement between the donor(s) and the university or an affiliated foundation that defines the purpose of the gift, the gift amount, a schedule of contributions and other terms deemed appropriate by either party.

**Irrevocable pledge:** Legally binding promise to pay a set dollar amount over a specific time period with cash or negotiable securities without conditions or the expectation of return of funds. This does not include donor advised funds, insurance pay-outs, planned gifts, or revocable trusts.

**Matching gift:** Donation made by a business in response to the voluntary contributions of its employee or other eligible participants. For the purpose of stewardship, the employee donor is recognized for the sum total of the gift and the matching employer contribution.

**Naming opportunity:** A specific donor recognition level bestowed on a physical entity, academic program, center, institute, department or any other area of the university or upon an endowment or other fund.

**Nonphysical entity:** A college, school, department, institute, center, program, teaching award and/or prize; academic or nonacademic position, including but not limited to deanship, professorship, directorship and/or lectureship; or student support, including but not limited to scholarship, fellowship and/or other student award.

**Physical entity:** A building or facility, discrete components of a building (wings, lecture halls, auditoriums, foyers, classrooms, laboratories, studios, offices, conference rooms, etc.), athletic facilities and fields, residence halls, campus spaces, fountains, parking facilities and/or other real property. This can also include collections of significant size and continuing educational, scientific, historic, artistic or cultural value owned, wholly or partially, by the university or by a VCU-affiliated foundation, if used by the university.
Policy Specifics and Procedures

Honorific name recognition

The majority of university naming recognition is a result of irrevocable philanthropic commitment. However, under certain circumstances, the university can honor individuals for extraordinary and lasting contribution to the university or society.

The VCU Committee on Commemoration and Memorials, the university Gift Acceptance Committee or cabinet can recommend to the president that a physical or non-physical entity be named in honor of an individual whose extraordinary contribution to the university or society aligns with VCU’s values. If the president agrees with the recommendation, the president brings the honorific name recommendation to the Board of Visitors for approval or, if approval authority is delegated by the Board of Visitors, the president or the president’s designee will act on the recommendation. A physical or nonphysical entity cannot be named to honor active members of the university faculty or staff, sitting members of the Board of Visitors, the sitting governor of Virginia, or current elected officials and state employees concerned with the functions, oversight or control of the university.

Philanthropic name recognition

The Board of Visitors approves all donor recognition levels before these opportunities are shared with prospective donors. The vice president of Development and Alumni Relations can convene the Gift Acceptance Committee to review complex naming opportunities or situations. The Board of Visitors sets the minimum recognition levels for establishing endowment funds, at the recommendation of the vice president of Development and Alumni Relations, no less than once per decade.

The university honors philanthropic contributions by naming physical and nonphysical entities for the lesser of 75 years or until the entity exceeds its useful life. The donor entity can have a first right of refusal to maintain the name, if applicable.

Minimum gift level to establish a current, non-endowed fund: $25,000

Cash gifts smaller than $25,000 do not generate permanent name recognition, but these donors can be recognized on walls, plaques, bricks, furniture or on perishable items, such as trees and small gardens.

Name recognition on physical and nonphysical entities

Deans and university leadership can submit requests, in partnership with the Office of Facilities Management, to set donor recognition levels for new and existing physical and non-physical entities. Upon acceptance of an irrevocable gift, the president, or designee, then recommends that the Board of Visitors honor the donor by naming a physical or nonphysical entity on any VCU campus, or the president or the president’s designee approves the naming if the Board of Visitors has delegated such authority. All gift agreements must state that donor recognition through naming requires approval by the Board of Visitors or by the president or the president’s designee as delegated. Should an honoree’s name change, the university is not obligated to change the name but, in its sole discretion, can change the name at the donor’s request, potentially at the donor’s expense.

The following considerations determine appropriate donor recognition:

- Completed gift agreements must outline payment terms if it is not an outright gift and must clearly explain that donor recognition requires Board of Visitors approval.
- At the discretion of the president, VCU initiates donor recognition, including signage, once 51% of an irrevocable pledge is received.
- For contributions that include a corporate matching gift for recognition to proceed, the donor must agree to fulfill the pledge should the corporation not pay the expected amount or not agree to donate to the same fund.
- Donor recognition cannot result from gifts already made and recognized for other purposes.
- Name recognition lasts only for the useful life of a physical entity or for 75 years, whichever is shorter, unless otherwise specified in the gift agreement.
- Sponsorships restrict name recognition only for the set period of time of that sponsorship.
Removal of name recognition
The VCU Committee on Commemoration and Memorials, the university’s Gift Acceptance Committee or administrative leadership can recommend removal of name recognition to the president. The Board of Visitors, in its sole discretion, can remove name recognition of a physical or non-physical entity if:

- The entity ceases to exist in a functional state, exceeds its useful life or changes usage or location.
- The name recognition reflects negatively on the university’s reputation or standing.
- The name recognition ceases to be consistent with the moral or educational values of the university.

The Office of Development and Alumni Relations is responsible for tracking all gifts and donor recognition in the development and alumni database of record.

Forms______________________________

Gift agreement templates are available to university development personnel on the internal DAR intranet or on the university’s institutionally-related foundation websites. Current forms are also available by emailing giftagreement@vcu.edu

FAQ______________________________

1. **How long is a program or structure assigned a name?**
   Naming recognition lasts for the lesser of the duration approved by the Board of Visitors or until the physical entity reaches its useful life, whichever is lesser.
2. **Can a donor be recognized for a gift-in-kind of large value?**
The vice president of DAR can recommend recognition for a substantial in-kind gift, with specific restrictions and time periods.

3. **Can a donor contribute less than $50,000 to a scholarship endowment?**
Yes, a donor or group of donors may contribute to an unrestricted scholarship at the endowment level of $25,000. The scholarship can be for talent, merit, or need with no restrictions beyond the school.

4. **Can a donor be recognized for a planned gift?**
Only an irrevocable planned gift can be considered for name recognition, with conditions set by the vice president of Development and Alumni Relations and, at the discretion of the president, when 51% of the total gift is received.
WHEREAS, the Board of Visitors (“the Board”) on May 14, 2021 adopted the revised University Recognition through Naming Policy (“the Policy”) as set forth in Exhibit A attached hereto and made a part hereof; and

WHEREAS, the Policy states that upon acceptance of an irrevocable gift, the president, or designee, then recommends that the Board honor the donor by naming a physical or nonphysical entity on any VCU campus; or the president or the president’s designee approves the naming if the Board has delegated such authority. All gift agreements must state that donor recognition through naming requires approval by the Board or by the president or the president’s designee as delegated; and

WHEREAS, the Policy further states that the Board may delegate authority to approve honorific recognition of non-physical entities other than a college, school, or degree program to the president or the president’s designee; and

WHEREAS, the Policy defines non-physical entities as “[a] college, school, department, institute, center, program, teaching award and/or prize; academic or nonacademic position, including but not limited to deanship, professorship, directorship and/or lectureship; or student support, including but not limited to scholarship, fellowship and/or other student award.”

NOW, THEREFORE, BE IT RESOLVED that the Board of Visitors of Virginia Commonwealth University delegates its honorific naming authority as identified under the University Recognition through Naming Policy to the President of Virginia Commonwealth University, or a designee identified by the President, for non-physical entities other than a college, school, center, department, or degree program.

RESOLVED, that this resolution shall before take effect immediately.
1. Why is this policy being created ☐ or revised ☒?
The policy is being reviewed and updated for accuracy and guidance pertaining to allowable restrictions and designations for privately-funded scholarships and fellowships.

2. New policy ☐: What are the general points or requirements covered in this policy? 
   or 
   Revised policy ☒: What are the substantive differences between this draft and the current policy?
   Substantive differences include new language and guidance for gifts that address opportunity, need, and talent. VCU does not accept gifts restricting eligibility in a manner that unlawfully discriminates against individuals. The policy explains if scholarship criteria become unlawful, impracticable, impossible to fulfill, wasteful, or no longer consistent with the university programs, activities or mission, VCU will contact the donor or appointed representatives to alter the scholarship criteria.

Scholarship and Fellowship Requirements

Policy Type: Administrative
Responsible Office: Development and Alumni Relations
Initial Policy Approved: 05/25/2010
Current Revision Approved: 01/01/2013

Policy Statement and Purpose

The purpose of this policy is to clarify the requirements to accept and award scholarship and fellowship funds (collectively referred to as “scholarships” throughout). In alignment with VCU’s mission, and to increase access to education and training, funding opportunities are designed to draw from a diverse and broad pool of applicants. All scholarship opportunities are intended to meet current and evolving student needs.

The Office of Development and Alumni Relations ensures that prohibited or overly restrictive criteria, as such restrictions can limit the pool of potential recipients and are contrary to the university’s intent, are not imposed. Minimum funding levels to establish endowments and related donor recognition are subject to appropriate approval by the Board of Visitors and the university president. Scholarship funds can be held in trust by one of the university’s affiliated foundations in accordance with operating agreements to ensure the same compliance levels.

This policy applies to all scholarships, current and endowed, benefitting VCU recipients, regardless of which campus partner administers the award. This policy does not govern scholarships administered by nonuniversity entities or funded through institutional resources.

Noncompliance with this policy could result in disciplinary action up to and including termination. VCU supports an environment free from retaliation. Retaliation against any employee who brings forth a good faith concern, asks a clarifying question or participates in an investigation is prohibited.

Who Should Know This Policy

All university employees engaged in development and alumni relations activities and all employees who administer scholarships are responsible for knowing this policy and familiarizing themselves with its contents and provisions.

Definitions

Affiliated or institutionally related foundations
VCU has affiliated philanthropic foundations that are separate 501(c)(3) charitable corporations organized to operate for the support of the university, while operating with their own self-governed boards and bylaws. They accept and invest gifts made in support of the university.

Fellowship
A competitive, short-term funding opportunity for graduate study, scholarly research, or professional development.

Gift agreement
An agreement between the donor(s) and the university or an affiliated foundation that defines the purpose of the gift, the gift amount, a schedule of contributions and other terms deemed appropriate by either party.

Nonuniversity entities
Foundations, corporations and organizations that administer financial grants directly to students or fellows at Virginia Commonwealth University.

Scholarship
A grant of financial aid awarded to a student for the purpose of payment of tuition or other costs associated with education.

Contacts

The Office of Development and Alumni Relations officially interprets this policy. The Office of Development and Alumni Relations is responsible for obtaining approval for any revisions as required by the policy Creating and Maintaining Policies and Procedures through the appropriate governance structures. Please
direct policy questions to the Office of Development and Alumni Relations’ executive director of Donor Relations and Events or to the Office of Financial Aid.

Policy Specifics and Procedures

Scholarship funds can be either for the general purposes of the university or for the specific use of one of its colleges, institutes, centers, departments, programs or units. While the university’s preference is for unrestricted gifts, a donor often has complex intentions for making a gift to VCU, including furthering a particular goal or supporting a particular purpose. All scholarship criteria must align with the university’s mission and this policy. Below are common examples of gifted funds and the requirements for compliance:

1. VCU accepts private donations to fund scholarships that are awarded based on any of the following:
   - **Academics**: Merit (as defined by the university or campus partner), major, area of study and/or high school or college GPA, or entry type (e.g. freshman/transfer).
   - **Financial attributes**: Need, as determined by the VCU Office of Financial Aid.
   - **Demographics**: Characteristics of the student or the student’s background such as residency in a particular geographic area, graduation from a particular high school or school district, state of residence, first-generation student, single-parent household, household size or number of family members in college at the same time.
   - **Certain experiences**: Demonstrated actions of the student such as fluency in a primary language other than English, demonstrated commitment to working with historically underprivileged or underrepresented populations in specific disciplines, student activities or involvement on campus, or having overcome personal challenges.

2. VCU does not accept gifts restricting eligibility in a manner that unlawfully discriminates against individuals. Scholarships with narrowly-tailored criteria may in some instances address underrepresentation of a specific population as documented by national, regional and/or institutional data.

3. All privately-funded scholarships and fellowships administered by the university are documented using the gift agreement template available on the DAR website. Modification to criteria can be made only with the written consent of the donor (or donor representative), the university, and if the appropriate foundation, if applicable.

4. Unless otherwise stated in the gift agreement, scholarships are available only to Virginia Commonwealth University recipients.

5. Established funding to support student scholarships cannot condition funding on a certain action by the university.

6. After a gift agreement is final, a donor no longer retains explicit or implicit control over the scholarship, such as selecting a recipient, serving on a committee to select a recipient, dictating the number of awards or award
amounts, requiring the recipient to work or providing any direct or indirect benefit or future benefit to the donor.

7. Should scholarship criteria become unlawful, impracticable, impossible to fulfill, wasteful, or no longer consistent with the university programs, activities or mission, VCU contacts the donor or appointed representatives to alter the scholarship criteria.

Forms

Gift agreement templates are available to university development employees with access to the DAR intranet. To gain access, please contact giftagreement@vcu.edu, your unit’s development office, or one of the university’s affiliated foundations.

FAQ

1. How can other universities give scholarships based on race or gender or other protected classes but VCU cannot?

Some universities rely on independent private foundations to administer scholarships without involvement by the university. It is also possible for a university to pool scholarships and offset
restricted programs with unrestricted funds, so the overall effect is non-discriminatory. Other universities could have historical data to support that neutral criteria are not effective in achieving diversity goals. If VCU departments or donors have interests in achieving greater diversity in specific programs or disciplines, an evaluation of institutional data and university goals would be the first step.

2. If a donor would like to create a scholarship to benefit a specific group of students what are the options for the donor?

Donors have many options to make a significant impact in the area of the donor’s interest. VCU has a diverse student population who can benefit from scholarships based on financial need or status as a first generation in the student’s family to attend a higher education institution. VCU’s deeply ingrained values of diversity, inclusion and equity ensure a climate in which individuals of differing cultural backgrounds, identities, abilities and life experiences are embraced, engaged and empowered to excel and succeed. Scholarship criteria can address the donor’s area of interest by promoting research or service in a specific field, characteristics of overcoming disadvantage, or geographic origin or service. Some examples are below:

- The scholarship is awarded to a student with demonstrated interests or research in the Latino heritage.
- The donor desires that when awarding this scholarship special consideration be given for students who have demonstrated experience in or a commitment to working with the African American community.
- The donor desires that the fund be used to assist students who have demonstrated a commitment to the advancement of women in underrepresented fields or disciplines.
- The donor desires that when awarding this scholarship, priority should be given for students who have overcome obstacles such as socioeconomic or educational disadvantage or are first generation in their family to attend college.
- The donor desires that priority be given to students who have resided in [a rural Virginia county] or demonstrated a commitment to working with residents in that county.

Contacting DAR ensures you are put in touch with the appropriate specialist to help with a gift to VCU. The general phone number is 804-828-0880 and email is giving@vcu.edu.

3. Can VCU accept a gift or award with the intent to achieve diversity within the student body?

Scholarships intended to achieve institutional diversity must be neutral with regard to all protected classes. Such neutral criteria might include diverse experiences or socioeconomic backgrounds. An example of an acceptable scholarship criteria to achieve diversity:

- The purpose of this scholarship is to support educational diversity at the university consistent with its mission and admissions policy. Therefore, it is the donor’s intent to consider all highly qualified students in an inclusive and broad spectrum of characteristics and categories.
Exceptions, as explained in Question 1.

4. **What if a donor wants to limit an award to individuals from certain countries or based upon alienage?**

Discrimination based on national origin or ethnicity is prohibited. Acceptable criteria related to a particular region of the world would be a demonstrated interest or research in the culture of a certain country.

5. **Why is it possible to designate athletic scholarships by gender?**

Athletic scholarships, within certain parameters, are an exception in accordance with Title IX, which requires that female and male student-athletes receive athletics scholarship dollars proportional to their participation.

6. **A donor wants to make a gift or scholarship award based upon a person’s religious beliefs. Can we do that?**

Discrimination based on religion is prohibited. Nonreligious criteria could closely match with the donor’s intent. For example:

- Although not specific criteria of the award, the award is intended to recognize and support students who have shown an interest or have participated in outreach or service learning work in partnership with a faith-based organization.

Policy on Endowed Faculty Chairs and Professorships

Policy Type: Board of Visitors  
Responsible Office: Development and Alumni Relations  
Initial Policy Approved: 03/01/2001  
Current Revision Approved: 05/25/2010

Policy Statement and Purpose

This policy provides requirements for the creation and administration of endowed faculty funds. These funds must adhere to state and federal laws, align with the mission of the university and meet the current and future needs of Virginia Commonwealth University. This policy applies to all endowed funds that support faculty at the university, regardless of the college/school/unit administering the fund.

Endowment fund minimums and named gift opportunities are subject to approval by the Board of Visitors and the university president. Endowed faculty funds are managed by one of the university’s affiliated foundations. With approval from the university president and Development and Alumni Relations, schools and units may establish higher thresholds for named funds where necessary to ensure that the fund produces income sufficient to support the requisite academic activities.

Noncompliance with this policy may result in disciplinary action up to and including termination. VCU supports an environment free from retaliation. Retaliation against any employee who brings forth a good faith concern, asks a clarifying question, or participates in an investigation is prohibited.

Who Should Know This Policy

All university employees engaged in development and alumni relations activities and all employees who accept and administer these funds are responsible for knowing this policy and familiarizing themselves with its contents and provisions.

Definitions

Affiliated or institutionally-related foundations
VCU has affiliated philanthropic foundations that are separate 501(c)(3) charitable corporations organized to operate for the support of the university, while operating with self-governed boards and bylaws. They accept and invest gifts made in support of the university.

Endowed faculty funds
Endowed funds designated by a donor to support faculty excellence including deanships, distinguished chairs, chairs, distinguished professorships, university professorships, departmental professorships and junior faculty endowments.

Gift agreement
An agreement between the donor(s) and the university or an affiliated foundation that defines the purpose of the gift, the gift amount, a schedule of contributions and other terms deemed appropriate by either party.

Contacts

The Office of Development and Alumni Relations officially interprets this policy. The Office of Development and Alumni Relations is responsible for obtaining approval for any revisions as required by the policy Creating and Maintaining Policies and Procedures through the appropriate governance structures. Please direct policy questions to the Office of Development and Alumni Relations’ executive director of donor relations and events.

Policy Specifics and Procedures

1. Allowable expenses
   a. With prior approval by the unit's academic leader and/or the signature authority of the endowed fund, income from the endowed faculty fund must support related costs such as salary, research or academic needs of the holder.
   b. Expenditures must be made in accordance with the gift agreement and university policy.
c. Physical materials purchased with income from university endowments are the property of the university.
d. Related expenses directly associated with the search and recruitment of named chairs or professors can be charged to the endowment when the position is vacant.

2. Establishment of faculty funds

New endowed funds must be established:

a. Consistent with the policies and practices of the university’s affiliated foundations and, if applicable, approved by VCU’s Gift Acceptance Committee.
b. Consistent with the mission of the university and existing strategic plans of the university, school or unit and may not make excessive demands on the university, school, unit or a department or program.
c. Consistent with the principles of Academic Freedom.
d. Using an approved gift agreement.
e. Contingent upon receipt of full funding by a specified closing date as outlined in the gift agreement, unless there is a commitment to complete the funding by bequest or similar deferred gift for which there can be no predetermined termination date.

For an estate gift directed to support an endowed chair or professorship, the value of the gift at the time of receipt must meet the approved endowment minimums for the donor-designated purpose, or an alternate purpose must be designated, unless there was prior approval by the president at the time the gift agreement was finalized.

Bequests that are not compliant with university or foundation policy at the time they are realized are reviewed on a case-by-case basis by DAR, the applicable university-affiliated foundation and appropriate academic unit. If needed, the vice president can convene the Gift Acceptance Committee to form or approve a recommendation. Modifications can be made only with the written consent of the donor, the applicable university-affiliated foundation and the university and are subject to Board of Visitors’ approval.

3. Adjustments to previously-established endowed faculty funds

a. The elevation of fund category, e.g. from endowed professorship to endowed chair, is permitted at the request of the dean and approval by the Board of Visitors
b. Any adjustment should be noted to Development and Alumni Relations through its Office of Donor Relations and Events for tracking and reporting purposes

4. Management and reporting of endowed faculty funds

a. Donors cannot retain any explicit or implicit control over the use of their endowed funds, including selection of recipients, after acceptance by the university or university affiliated foundation
b. Endowed faculty appointments are the purview of the Office of the Provost and Office of the Vice President for Health Sciences, subject to the established procedures of faculty appointment.

c. Existing named funds that met established minimum contribution thresholds at inception can continue at the approved named level.

d. The respective dean and appropriate vice president/provost must review unassigned endowed faculty funds bi-annually.

e. In the event a fully funded professorship remains vacant for a period of three years or more, or in the event that the professorship’s accumulated income exceeds five years of payout, the dean, vice president and university affiliated foundation must review the fund’s terms and administrative history to ascertain the reason for the accumulation and must take appropriate corrective action consistent with the terms of the originating gift agreement. Such action could include:
   i. Implementing a new expenditure plan designed to fill the professorship and/or to utilize the payout fully.
   ii. Redesignating the professorship and/or fund purpose, following consultation with and approval of the donor.
   iii. Seeking legal means for redesignation of the professorship and/or fund purpose, if the donor is unavailable.

f. Faculty holding endowed appointments must provide a brief year-end report of activities associated with the endowed fund to DAR.

FAQ

1. What are the established minimums for faculty endowments?

Minimum levels to create endowments to support scholarships, faculty, and research are approved only by the Board of Visitors and published as part of the Policy on University Recognition through Naming.

2. Can faculty benefit from more than one endowed fund?

Faculty may be the recipients of income from multiple endowed funds.

Proposal to create a Bachelor of Arts degree program in Family Development and Education

Overview
Virginia Commonwealth University seeks approval to establish a Bachelor of Arts (B.A.) degree program in Family Development and Education at the Monroe Park Campus in Richmond, Virginia. The proposed program will be administered by the Department of Counseling and Special Education in the School of Education. The target date of the program’s initiation is the fall semester of 2022.

The purpose of the proposed BA in Family Development and Education is to educate students to effectively engage in complex issues related to the family unit and prepare students for careers as family life educators, family services specialists, family policy analysts, community-based researchers, curriculum and resource developers, and family development and intervention specialists in human services positions. The program will provide students with a deep understanding of the family unit as it relates to individual and family well-being, the community, cultural contexts, family diversity, and the life span. The program’s coursework is interdisciplinary in nature and will provide students with specific knowledge and skills on the sociology of families, developmental psychology, urban environments and the influence on families, and education and counseling as it relates to families. The coursework will also address topics such as human sexuality, family policy and law, relationships and marriage, parenting, family resource management, human development, and human services. In addition, students will be educated on family life education methodology that will prepare them to educate various facets of the population, including in community and school settings, on topics related to family life. Graduates of the proposed program will have all of the content area knowledge required for the National Council for Family Relations’ (NCFR) Certified Family Life Educator (CFLE) credential. Through experiential learning, students will be exposed to children and families from diverse backgrounds seeking support services of education, empowerment, and advocacy. Graduates will be prepared to work in a variety of settings, such as health care, community education, faith communities, middle and high schools, colleges and universities, social service agencies, corporate settings, government agencies, corrections, retirement communities, and the military.

Method of Delivery
Courses included in the proposed program will be offered in a hybrid format, some courses will be offered in traditional classroom format and other courses will be offered online.

Target Implementation Date
Fall 2022

Demand and Workforce Development
According to the U.S. Bureau of Labor Statistics (BLS), between 2019 and 2029 employment for health educators and community health workers is projected to grow 13%, much faster than the average for all occupations. The BLS projects the need for social and community service managers to grow by 17% between 2019 and 2029, “much faster than average for all occupations.” Approximately 17,000 openings for these positions are estimated each year as a “result from the need to replace workers who transfer to different occupations or exit the labor force, such as to retire.”

External Competition
Two (2) public institutions in Virginia offer a baccalaureate degree related or similar to the proposed BA in Family Development and Education at Virginia Commonwealth University. George Mason University (GMU)
offers a Bachelor of Art in Human Development and Family Services and Virginia Tech (VT) offers a Bachelor of Science in Human Development. Please see the full proposal for the similarities and differences between the degree programs.

**Target Population**
All interested undergraduate students will be encouraged to consider the major and no specific targeted population will be recruited.

**Impact on Existing Programs/Policies**
The School of Social Work offers a B.S. degree program in Social Work. The proposed B.A. degree in Family Development and Education is not similar to the B.S. in Social Work and focuses on a preventative approach that focuses on development and education of children and families to strengthen, improve, or enrich families’ experiences. The B.S. in Social Work focuses more on helping students develop a knowledge base to work as generalists with individuals, families, groups, communities and organizations for issues related to human behavior and community dynamics.

**Impact on Faculty**
Two (2) of the 15 full-time faculty in the Department of Counseling and Special Education will teach required courses in the proposed degree program. One new faculty member in the Department of Counseling and Special Education will be hired in the initiation year, 2022-2023. Other faculty from the Department of Foundations of Education, Department of Sociology, Department of Psychology, School of World Studies in the College of Humanities and Sciences, and one faculty member from the L. Douglas Wilder School of Government and Public Affairs will teach required courses in the proposed degree program.

**Funding**
This proposed program will require a total of .65 faculty FTE instructional effort in 2022-2023, rising to 4.21 faculty FTE instructional effort in the target enrollment year, 2026-2027. The Department of Counseling and Special Education has the faculty, classified support, equipment, space, library, and other resources needed to initiate and sustain the proposed BA in Family Development and Education. The reallocation of these funds will not negatively impact any other academic program in the department or the School. See the full proposal for the estimated resources needed to initiate and operate the proposed program.

**Alignment with the VCU Mission**
The proposed BA in Family Development and Education directly serves to fulfill the mission of the University such that it will provide students with an interdisciplinary education to help solve “complex challenges” related to the family unit. Using coursework from Counseling, Psychology, Sociology, Urban Studies, and Education, the proposed program will prepare students with a well-rounded education to further their understanding of the family through various perspectives. The proposed program also aligns with VCU’s commitment to diversity and inclusion as it will address issues related to diverse families in diverse settings. Graduates of this program will be well prepared to provide prevention and intervention for children and families related to education, human sexuality, relationships, aging, consumer/household financial planning specific to the cultural context of the individuals being served.

**Next Steps**
April 1 - University Committee on Academic Affairs and University Policies (UCAAUP) Meeting, 1:00 - 2:30 p.m.
April 8 - University Council Meeting, 3:00 - 5:00 p.m.
April 12 - President's Cabinet Meeting
May 13 - Board of Visitor's Meeting, 12:20 p.m.

Proposed Intent to Discontinue 1
Background 1
Rationale for Intent to Discontinue 1
Teach-Out Plan 1
Proposed Intent to Discontinue
Virginia Commonwealth University (VCU) requests approval to discontinue the Post-Baccalaureate Certificate in Instructional Technology (CIP code: 13.0501). The program is located in the School of Education, Department of Teaching and Learning.

Background
The VCU School of Education has offered the Post-Baccalaureate Certificate in Instructional Technology program since 2006. Since at least 2010, the program has struggled to enroll students in sufficient number. In fall 2019, faculty and administration voted to suspend admission into the certificate program. In spring 2021, faculty and administration agreed unanimously to discontinue the certificate program.

Rationale for Intent to Discontinue
The Post-Baccalaureate Certificate in Instructional Technology was created over a decade ago to address new regulations at the time that required K-12 schools to hire individuals who would be responsible for assisting teachers with integrating technology into their instruction. This certificate program provided the necessary learning experiences to assist current K-12 teachers in filling these roles. While school divisions still employ these individuals today, the supply far outweighs the demand. Additionally, the role has evolved and the certificate program developed over a decade ago no longer meets the needs of these individuals. Enrollment in this program has been very low to non-existent for the last several years.

Teach-Out Plan
No students are enrolled in the Post-Baccalaureate Certificate in Instructional Technology. No teach-out plan is needed.

“Stopped Out” Students
Institutional records do not indicate that any students have “stopped out” of the certificate program. No plan is needed to notify students.

**Proposed Intent to Discontinue**
Virginia Commonwealth University (VCU) requests approval to discontinue the Post-Baccalaureate Certificate in Online Teaching for K-12 Educators (CIP code: 13.1299). The program is located in the School of Education, Department of Teaching and Learning.

**Background**
The VCU School of Education has offered the Post-Baccalaureate Certificate in Online Teaching for K-12 Educators program since 2012. Since at least 2016, the program has struggled to enroll students in sufficient number. In fall 2019, faculty and administration voted to suspend admission into the certificate program. In spring 2021, faculty and administration agreed unanimously to discontinue the certificate program.

**Rationale for Intent to Discontinue**
The Post-Baccalaureate Certificate in Online Teaching for K-12 Educators graduated several cohorts of educators from local school divisions from 2012 to 2016. The program utilized a cohort model exclusively, which provided reduced tuition for participants. This model was not financially viable for the School of Education in the long term. With the reduced tuition no longer available to participants, enrollment declined.

**Teach-Out Plan**
No students are enrolled in the Post-Baccalaureate Certificate in Online Teaching for K-12 Educators. No teach-out plan is needed.

**“Stopped Out” Students**
Institutional records do not indicate that any students have “stopped out” of the certificate program. No plan is needed to notify students.

Virginia Commonwealth University
Acquisition of Property
2901 and 2919 Hermitage Road (ABC)

Background
The Property physically consists of three slightly irregular parcels constituting +/- 19.805 acres and has +/- 383,845 square feet of office/warehouse buildings. Located at the intersections of Sherwood Avenue, Hermitage Road, and Robin Hood Road -- and directly across Sherwood Avenue from the Bourne property (1609 Sherwood Avenue) -- the Property is owned and occupied by Virginia Alcohol Beverage Control (ABC).

Purpose and justification
This parcel has been identified by VCU Athletics as vital to the assemblage of approximately 36 acres for the new Athletic Village that includes the Bourne property and other nearby previously purchased properties. This is the largest piece in the Athletic Village assemblage.

Zoning and environmental considerations
The parcels are zoned M-1, Light Industrial. As part of VCU’s customary due diligence associated with property acquisition and development, a Phase I Environmental Site Assessment will be performed, as well as other customary due diligence.

Cost and funding source
The 2019 General Assembly included language that authorized the sale of the Property to VCU. The 2021 General Assembly set the sale price at $16 million and appropriated to VCU $14.7 million from general funds for this purpose. VCU will use Athletics funds to cover the remaining $1.3 million.

Recommendation
Authorize the use of university funds not to exceed $16 million plus associated due diligence and transactional costs for the acquisition of the Property at 2901 and 2919 Hermitage Road and to execute all documents necessary, including financing, for such acquisition.

Authorize an amendment to include the Property in the university’s current six-year capital plan.
RESOLUTION OF THE BOARD OF VISITORS OF
VIRGINIA COMMONWEALTH UNIVERSITY

PROPERTY ACQUISITION AND FINANCING

WHEREAS, Chapter 6.1, Title 23.1 of the Code of Virginia of 1950, as amended (the "Virginia Code"), establishes a public corporation under the name and style of Virginia Commonwealth University (the "University") which is governed by a Board of Visitors (the "Board") vested with the supervision, management and control of the University;

WHEREAS, Title 23.1 of the Virginia Code classifies the University as an educational institution of the Commonwealth of Virginia;

WHEREAS, by Chapter 4.10, Title 23.1 of the Virginia Code, the University entered into a management agreement with the Commonwealth of Virginia which was enacted as Chapter 594 of the Acts of Assembly of 2008 which, as amended, classifies the University as a public institution of higher education and empowers the University with the authority to undertake and implement the acquisition of any interest in land;

WHEREAS, the Board’s policy on the Authority to Execute Contracts and Other Documents requires Board approval for the acquisition of real estate;

WHEREAS, the Board deems it desirable and in the best interests of the University to acquire that certain real property, known as the ABC property, located at 2901 and 2919 Hermitage Rd, Richmond, VA (the “Property”).

WHEREAS, the sales price of $16,000,000 for the Property has been established by the 2021 General Assembly, which General Assembly appropriated $14,700,000 to the University for the acquisition of the Property.

NOW, THEREFORE, BE IT RESOLVED, that Virginia Commonwealth University acquire the Property for a price not to exceed $16,000,000, plus other reasonable and customary transactional costs and expenses, and upon such other terms and conditions as the President or others authorized to act on his behalf may, in their discretion, deem advisable; and that

RESOLVED FURTHER, the President, Senior Vice President/Chief Financial Officer, and Vice President for Administration are hereby authorized, directed and empowered to execute, for and on behalf of the University and in its name, any and all documents required in connection with the purchase of the Property, including, without limitation, the incurrence of indebtedness to finance the acquisition of the project, either through the use of the University’s commercial paper program or otherwise; and that

RESOLVED FURTHER, any actions within the authority conferred hereby, taken prior to the date of the foregoing resolutions, by the aforementioned officers or those delegated to act on their behalf, are hereby ratified, confirmed and approved as the acts and deeds of the University.
Virginia Commonwealth University  
Acquisition of Property  
1609 Sherwood Avenue (Bourne)

Background

The Property is a +/- 5.833 acre rectangular parcel with a +/- 173,580 square foot office/warehouse located at the intersections of Sherwood Avenue, Hermitage Road and Cummings Drive. The building is owner-occupied (West End Printing; 121,000 square feet) and has previously had two other tenants. It is located directly across Sherwood Avenue from the Virginia Alcohol Beverage Control (ABC) distribution property and in close proximity to Sports Backers stadium.

Purpose and justification

This parcel is identified by VCU Athletics to be an important part of an assemblage of approximately 36 acres needed for the new Athletic Village. The university plans to purchase the ABC property and has purchased other nearby properties. The VCU Real Estate Foundation (REF) contracted to purchase this property to maintain confidentiality during the acquisition of several parcels for the Athletic Village assemblage.

Zoning and environmental considerations

The parcel is zoned M-1, Light Industrial. As part of the REF’s acquisition of the Property, a Phase I Environmental Site Assessment and other customary due diligence were performed and identified no concerns.

Cost and funding source

The Property is under contract with the VCU Real Estate Foundation to close June 2021 at $7.5 million. The purchase contract permits the REF to assign the contract to the university, as opposed to the university purchasing the property from the REF after the REF acquires it. This is more cost effective. The purchase of the Property will be funded through debt issued by the university.

Recommendation

Approve the resolution to authorize the acquisition of the Property at 1609 Sherwood Ave through the VCU Real Estate Foundation’s assignment of the current purchase contract to the university, for a price not to exceed $7.5 million plus associated settlement, due diligence, and transactional costs, and for appropriate university officials to execute all documents necessary for such acquisition and related financing.

Authorize an amendment to include the property in the university’s current six-year capital plan.
RESOLUTION OF THE BOARD OF VISITORS OF VIRGINIA COMMONWEALTH UNIVERSITY

PROPERTY ACQUISITION AND FINANCING

WHEREAS, Chapter 6.1, Title 23.1 of the Code of Virginia of 1950, as amended (the "Virginia Code"), establishes a public corporation under the name and style of Virginia Commonwealth University (the "University") which is governed by a Board of Visitors (the "Board") vested with the supervision, management and control of the University;

WHEREAS, Title 23.1 of the Virginia Code classifies the University as an educational institution of the Commonwealth of Virginia;

WHEREAS, by Chapter 4.10, Title 23.1 of the Virginia Code, the University entered into a management agreement with the Commonwealth of Virginia which was enacted as Chapter 594 of the Acts of Assembly of 2008 which, as amended, classifies the University as a public institution of higher education and empowers the University with the authority to undertake and implement the acquisition of any interest in land;

WHEREAS, the Board’s policy on the Authority to Execute Contracts and Other Documents requires Board approval for the acquisition of real estate;

WHEREAS, on July 2, 2018, the VCU Real Estate Foundation (the “REF”) entered into a contract to purchase the property, as discussed in closed session on this date (the “Property”), for the benefit of the University and the ultimate acquisition by the University from the REF at a later date;

WHEREAS, the Property is now under contract to be purchased by REF, which contract gives REF the authority to assign the contract to the University; and

WHEREAS, taking assignment of the REF contract, as compared to purchasing the Property from REF, will result in cost savings to the University.

NOW, THEREFORE, BE IT RESOLVED, that Virginia Commonwealth University acquire the Property by assignment of the REF purchase contract, at the contract price of $7,500,000 and such other costs and expenses that allow the REF to “break even”, and upon such other terms and conditions as the President or others authorized to act on his behalf may, in their discretion, deem advisable; and

RESOLVED FURTHER, that the President, Senior Vice President/Chief Financial Officer, and Vice President for Administration are hereby authorized, directed and empowered to execute, for and on behalf of the University and in its name, any and all documents required in connection with receiving assignment of the purchase contract of the Property from REF, including, without
limitation, the incurrence of indebtedness to finance the acquisition of the project, either through the use of the University’s commercial paper program or otherwise; and

RESOLVED FURTHER, that any actions within the authority conferred hereby, taken prior to the date of the foregoing resolutions by the aforementioned officers or those delegated to act on their behalf, are hereby ratified, confirmed and approved as the acts and deeds of the University.
CERTIFICATION

I, Chelsea R. Gray, hereby certify the following:

1. I am the Board Liaison and Assistant Secretary of the Virginia Commonwealth University's Board of Visitors (VCU BOV).

2. The following actions took place at the May 14, 2021, Board of Visitors meeting and remain in full force and effect:

   a. After motions duly made and seconded the following actions concerning Dr. Michael Rao, President of Virginia Commonwealth University were unanimously approved by the Board of Visitors at its May 14, 2021 meeting:

      i. Amending the employment contract between the University and Dr. Michael, Rao, President of Virginia Commonwealth University to be extended 2 years, making the contract term through June 30, 2026.

      ii. A 5% increase in the base salary for a total yearly increase of $31,231.71, making the new base salary $655,865.94, effective July 1, 2021. (The effective date of the increase is the same date that eligible VCU employees received their salary increases); a five percent (5%) increase in the deferred compensation contribution for a total yearly increase of $12,500, making the new deferred compensation $262,500, effective July 1, 2021; and a five percent (5%) increase in the housing allowance of $3,708, effective July 1, 2021, making the new yearly housing allowance $77,868 or $6,489 per month.

      iii. The housing allowance should be reviewed and adjusted as needed annually based on the Consumer Price Index (“CPI”).

   b. President Rao’s 2020-2021 goals and priorities as were discussed in closed session.

Dated: May 14, 2021

Chelsea R. Gray
