REPORTS AND RECOMMENDATIONS

Government Relations
Mr. Matthew Conrad, Executive Director of Government Relations, and Ms. Annie Morris, Deputy Director, provided an update on the activities and results of the 2018 Session of the Virginia General Assembly. They noted that the University is focused on the priorities established in the 6 year plan, including increases to student financial aid and funds for the recruitment and retention of the very best faculty.

University Relations
Ms. Pamela D. Lepley, Vice President for University Relations provided the following updates:

- National media hits are ahead of target, having already reached 83% of target.
- Media coverage tone is overall positive among about 30,000 media hits so far this year.
- The Make it Real undergraduate student recruitment and institutional campaign is on track to deliver the full 81 million paid impressions for the year. Most of the paid advertising for the student recruitment campaign is digital to reach prospective students and their parents.
- The campaign is proving to be very successful, with click-through-rates 12 times the industry standard.
- It is interesting to note that 94% of visits to the VCU web site from recruitment ads are from mobile devices
- The majority of visits – 70% – are visitors from Virginia. Ten percent and fewer, each, are from Washington, D.C., North Carolina, New York and Pennsylvania
- The Fiscal Year 2019 recruitment campaign is in development and will include a domestic out-of-state marketing strategy.
- A tremendous effort has been put against ADA (Americans with Disabilities Act) compliance for VCU-owned web sites and social media channels. University Relations, working with Technology Services and VCU’s Title IX Office is in the process of remediating more than 500 organizational websites that encompass a minimum of 100,000 web pages.

Development and Alumni Relations
Mr. Jay Davenport, Vice President for Development and Alumni Relations provided a summary of fundraising highlights, noting:

- Associate Vice President for Alumni Relations Josh Hiscock was introduced. He started this role in January 2018.
- The university-wide development team has raised $74.8 Million in new gifts and pledges as of March 20, 2018.
- The campaign is at $582.8M toward the $750M goal.
CLOSED SESSION

Mr. Wagoner asked for a motion to convene a closed session pursuant to Sections 2.2-3711 (A) (9) of the Virginia Freedom of Information Act for the discussion of gifts, bequests, and fund-raising activities of the University, specifically Named Fund and Spaces Report and the Named Funds Under $50,000 Report. After motion duly made and seconded the motion was unanimously adopted.

RECONVENED SESSION

Following the closed session, the public was invited to return to the meeting. Mr. Wagoner called the meeting to order. On motion duly made and seconded the following resolution of certification was approved by a roll call vote:
