University Relations
Ms. Pamela Lepley, Vice President for University Relations provided the following updates:

- Dashboard Highlights
  - Earned media hits have exceeded FY 18 targets as of March 31. The tone of media coverage is overwhelmingly positive/neutral at 96%. Overall impressions are on track at 65% with a quarter of the fiscal year remaining.
  - Social media has met FY 18 year targets for followers and engagement. Social media impressions and owned media metrics are tracking to achieve target metrics.
  - The FY 2018 Make it Real paid media campaign to recruit undergraduate in-state students and sustain institutional branding has exceeded impression estimates by 1-percent, directly attributable to stronger than anticipated results in digital advertising.

- Public Affairs and Marketing Highlights
  - At this writing, the final numbers are not in. However, the combined marketing communications effort of ICA staff, consultants and University Relations has been a resounding success. Over the quarter the ICA opening has been positively covered in
major national and international media, as well as in distinguished arts and architecture industry publications. Richmond area media also have provided in-depth, positive coverage. A VCU social media post before the opening reached an audience of about 31,000. A fully integrated paid media campaign for the opening included outdoor, guerrilla, print, digital, radio and transit channels to penetrate the Richmond region market with more than 45 million impressions. The campaign runs through June.

- Top earned (media coverage) media hits for the second quarter include:
  - About 280 media hits (295 million reach) that compared VCU’s Final Four run and its impact on the university to what Loyola-Chicago would be experiencing
  - 75 hits with a more than a 159 million reach on pitch of Brandcenter Professor Kelly O’Keefe talking about the Toys R Us bankruptcy and closure
  - 26 hits with a 60 million reach coming from a news release about VCU students conducting a “Wellness Block Party” to provide health screenings and health education in Richmond
  - 5 hits with a 43.2 million reach on VCU E-cig vapor research
  - A social media post about VCU’s latest US News rankings attracted an audience of more than 76,000

- The Make It Real student recruitment campaign summary:
  - A strong digital campaign is extending the reach (impressions) of the advertising. The overall click-thru-rate (CTR) of 1.09 percent is more than 13 times the industry average of 0.08 percent. Search and an increased investment in social media are the leading contributors to raising our averages
    - Search = 2.05% CTR (Twitter is the strongest performer at 10.19%)
    - Social = 1.89 % CTR
  - The campaign has delivered more than 305 Make it real website sessions from digital and social advertising clicks including about 43 percent returning visitors. This indicates an interest to consider applying to VCU. Prospective students are most interested in our programs, with 824 total visits to the Academics pages over the past 6 months.

**Development and Alumni Relations**

Mr. Jay Davenport, Vice President for Development and Alumni Relations provided a review of the fundraising metrics and updates:

- Associate Vice President for Alumni Relations, Mr. Josh Hiscock presented on the Alumni Strategic Plan and an overview of the success from the MCV/RPI and AAAC Reunion weekend activities.
- Mr. Jay Davenport provided an overview of the Make It Real Campaign. On target to be the best year in the capital campaign with an increase of $13.8M this month. Expecting to end the year between $605 and $615M.
- The campaign is at $587.8M toward the $750M goal.
